

Children's Education presents...

Lenten Children's Sermons

during the worship hour

February 25 - April 1

I'm sure the children will want to "come and see" what Easter is all about

Operation Care Update

It is time for checking and revising our lists and recruiting new volunteers. If you are on one of the care lists, but can no longer help, please call Syndy Linn (860-6474) or Betty Fields (453-3754). It is important that we keep our volunteer information current.

Our Operation Care teams have 10 or 11 members each. There are many times when not all of the team members are available to help, especially during the winter when our snow birds are gone. Therefore, we are establishing a back-up volunteer list to fill in for team members who cannot participate on a given date.

Also, if we have enough volunteers, we would like to establish a fifth team. Each team serves on a rotating basis. To do all of this, we need your help. Please fill in the form below and put it in the offering plate or send it to the church office - 212 W. Walnut St.

Our bereavement meals or receptions are greatly appreciated. We try to make this sorrowful time a little easier for our bereaved members. Thank you very much for volunteering to help.
